## Projects

---

### Brand-me - A Portfolio Website Builder

Github - [Project Link](#)

React JS | Django-REST-Framework | JWT | Tailwind CSS | AWS S3 | AWS Cloudfront | RTK Query

**Brand-me is a portfolio website builder** that makes it easy for freshers to create and deploy their own portfolio websites without any web development knowledge.

- **Cloud Integration:** Utilized AWS S3 for static hosting and efficient storage of templates and assets, ensuring scalable deployment.
- **Sub Domain Linking:** Implemented a feature to link user portfolios with sub domains for a professional web presence.
- **Template Customization:** Designed prebuilt HTML/CSS templates, giving users flexibility to choose and modify their preferred styles.
- **DOM Serialization:** Implemented a mechanism to parse HTML templates into a DOM tree and store them as JSON objects, enabling efficient client-side rendering and updates.
- **OAuth Integration:** Incorporated OAuth 2.0 authentication for secure user login and registration using popular platforms like Google.

### NoteX - Google Keep Clone

Github - [Project Link](#)

React JS | Django-REST-Framework | Tailwind CSS | RTK Query

**NoteX is a note taking web application** which is inspired by the Google Keep having functionalities like creating, updating, labeling, pinning notes.

- **Dynamic Note Management:** Developed a platform for creating, editing, and organizing notes with features like labeling, archiving, and color-coding.
- **Labeling System:** Implemented a tagging mechanism to categorize notes.
- **Color-Coding Notes:** Enabled users to personalize notes with different colors for visual categorization.
- **Note Pinning:** Implemented a feature to pin important notes to the top for quick access.

## Skills

---

**Programming Languages:** JavaScript, Python

**Web Framework & Libraries:** ReactJS, Django, Django REST Framework, Tailwind CSS, RTK Query

**Tools and Frameworks:** Git, Github, Postman

## Education

---

**Vidyalankar Institute of Technology**

Mumbai

Bachelor of Engineering in **Information Technology**

2021 - 2025

## Co-Curricular

---

**Creatives Head at IEEE-VIT**

June 2022 - May 2023

Vidyalankar Institute of Technology, Mumbai
